DOMINION ORDERS IN COUNCIL.

NOTICE.

Certified Copy of a Report of the Committee of the Privy Council, approved by His Excellency the Governor-General on the 5th Day of January, 1920.

THE Committee of the Privy Council have had before them a report, dated December 27th, 1919, from the Minister of the Interior, stating that the Western Canada Lime Company, of New Westminster, has made application to the Department of the Interior for a lease of that portion of Sections 5, 6, 7, and 8, in Township 3, Range 28, west of the 6th initial meridian, containing an approximate area of 130 acres, comprising the submerged bed of Cheam Lake in the Railway Belt, in the Province of British Columbia, for the purpose of recovering a deposit of disintegrated lime from the bed of that lake, to be used for fertilizing purposes.

The Minister further states that the Deputy Minister of the Department of Agriculture for the Province of British Columbia, in a communication dated the 27th of February, 1912, stated that he fully concurred in the representations made to the Department of the Interior that there was a great desirability for a supply of crushed-rock lime at reasonable prices for agricultural purposes, and that this was the best form in which it could be used.

The Minister observes that it would appear that permission has been granted by the Provincial Government to divert a certain quantity of water from this lake for domestic and power purposes, and that entries have been granted under the provisions of the Provincial regulations for certain mineral claims, comprising a portion of the bed of the lake.

In view of the demand which would appear to exist for lime to be used for fertilizing purposes, the Minister recommends that he be authorized to grant permission to the Western Canada Lime Company, Limited, to recover the deposit of disintegrated lime or marl from the available portion of the bed of Cheam Lake, comprised in the lands already described, upon the following terms and conditions:—

(1.) The term of the lease to be ten years, and the rental at the rate of twenty-five cents an acre per annum, payable yearly in advance:

(2.) The lease to be subject to any rights already granted to the waters of the lake, or the minerals in the bed thereof:

(3.) That the lessees shall begin the removal from the lake of the deposit already referred to within three years from the date of the lease, and shall during each year after the third year of the term, produce ready for disposal or shipment not less than 1,000 tons of the deposit referred to, and shall furnish satisfactory evidence of such production:

(4.) That during each of the first three years of the term of the lease the lessees shall expend in the development of the location described in the lease, in making preparation for the removal of the deposit and in the installation of machinery and equipment for such removal, the sum of not less than \$2,500, and shall at the termination of each year furnish the department with a statement under

affidavit showing in detail the purpose for which such expenditure was incurred:

(5.) The lease shall not convey the right to divert or remove from the lake any of the waters thereof, without permission to do so having first been obtained.

(6.) Failure to comply with any of the conditions set out in the lease shall render that instrument subject to cancellation in the discretion of the Minister.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

NOTICE.

Certified Extract from the Minutes of a Meeting of the Treasury Board, held on the 23rd October, 1919, approved by the Deputy Governor-General in Council on the 27th October, 1919.

INTERIOR:

THE Board had under consideration a memorandum from the Honourable the Minister of the Interior, reporting that the Canadian Pacific Railway Company has made application for right-of-way for a pipe-line for a water-supply at Twin Butts, B.C., being part of the West Half of Section 9, Township 24, Range 21, west of the 5th meridian, and containing an area of six hundred and forty-seven thousandths of an acre, as shown on the plan attached to the above-mentioned memorandum under date of the 16th October, 1919; that the pipe-line was completed in the year 1913 and has been in use ever since; that a Homestead Inspector's report, dated the 9th May, 1919, shows that the land through which the pipe-line passes is of no agricultural value and that he considers \$5 an acre a fair valuation of the land; that the Agent of Dominion Lands at Revelstoke recommends that the application be granted; that the land applied for is available and has been surveyed and the work approved by the Surveyor-General; that the company has filed with the Department of the Interior a copy of the official certificate of a grant of the water rights at this point in its favour.

The Minister therefore recommends that the Canadian Pacific Railway Company be allowed to purchase the above-mentioned land at \$5 per acre.

The Board concur in the above recommendation and submit the same for favourable consideration.

1. Amending the "Victoria City Relief Act, 1918 (No. 2)," as follows:—

(a.) By adding to section 7 a provision giving any purchaser of any interest in land from a soldier who shall have made his first payment on the ten-year instalment plan the same rights and privileges as to payment of taxes as such soldier would have had if he had not sold such land.

(b.) Providing (retroactively) that all rights-of-way, easements, and servitudes acquired by the Corporation in respect of any land within the Province sold for taxes shall remain a valid charge in favour of the Corporation from and after the date of such tax sale and the issuance of title to the land sold.

3. Requiring every trade-licence holder to pay his road-tax for the current year in addition to all licence fees due to the Corporation before having his name entered on the municipal voters' list.

4. Validating and confirming the Annual Rate By-law No. 2056 of the Corporation, passed after the date required by the "Municipal Act Amendment Act, 1919," and the percentage additions pro-

(b.) For charging owners or occupiers of lands, vacant or otherwise, or the lands themselves, capable of being drained into a sewer or drain with a rental for the use or the opportunity of user of the same, on per foot frontage or other basis, and for regulating, levying, and recovering such rental.

(c.) For charging (with like remedies for collecting) all persons owning property drained into a sewer with rent for use of connecting pipes or drains, and for regulating the times and manner for payment of charges.

7. Validating and confirming the rates previously levied and collections made in connection with sewer rentals, cluster lighting, and boulevard maintenance.

8. 9. Dispensing with the necessity of publicly exhibiting or otherwise giving notice in writing of resolutions to be submitted at meetings of the Council.

11. Authorizing the Council by by-law, without the assent of the ratepayers, to reduce the width of Fairfield Road between St. Charles Street and Foul Bay Road from sixty-six (66) feet to fifty-five (55) feet, and to sell the 11-foot strip thereof to the adjoining property-owners.

12. Providing for the validity of all tax sales notwithstanding irregularity in the description or assessment of lands already sold or to be sold.

13. Authorizing the Council by by-law:—

(b.) To compel property-owners of the Corporation to connect and drain into a sewer of the adjoining municipality.

(c.) To collect from such property-owners rentals or other charges for such sewer connections.

14. Authorizing the Council by resolution to sell by public or private sale all unidentified and unclaimed articles in possession of the Police Department at the expiration of one year of such possession.

15. Granting ratepayers, on or before the 15th day of September, 1920, the privilege of paying all general and local improvement taxes in arrears accrued payable to the Corporation to the 31st day of December, 1919, on the ten-year instalment plan, with interest on all deferred instalments computed from that date at six per cent. 17. Providing that the aggregate amount of all general and local improvement taxes accrued payable to the Corporation to be computed in ascertaining the soldier's capital sum as used in the Victoria City Acts shall be computed only to the date on which the soldier makes his first payment of one-tenth of the said soldier's capital sum.

18. Validating an agreement between the Corporation and the British Columbia Telephone Company, by which the Corporation has transferred its rights and property in certain underground conduits and equipment to the British Columbia Telephone Company, pursuant to prior agreements already ratified and confirmed by legislation, and which postpones indefinitely the time within which the Corporation, by the said prior agreements, is required to obtain and transfer to the Company the rights-of-way and easements for the said conduits and equipment.

19. Amending paragraph (cc) of subsection (1) of section 18 of the "Victoria City Act, 1919," to provide for the payment by a bond-broker of the same licence fee as required from a stock-broker.

20. Validating a by-law to be submitted to the ratepayers in January, 1920, authorizing the Corporation to borrow and to use \$20,000 for the construction and operation of a municipal golf-links, said by-law containing a provision that the same shall not become effective until ratified and confirmed by the Legislature at its next session.

21. Providing that the registration and licensing of motor-vehicles of the city's Fire Department shall not be required, and that such motor-vehicles shall not be restricted as to speed in going to fires, and shall have the clear right-of-way on the city's streets.

22. To define motor-vehicles and to authorize the city by by-laws to classify all motor-vehicles coming within any class and to differentiate in the conditions contained in the licence granted to and the licence fees to be imposed upon the owners of motor-vehicles coming within one and the same class, and on owners of motor-vehicles coming within different classes, or to provide that all motor-vehicles coming within any of such classes should not operate on any or all of the streets of the city, and to cancel any licence granted.
